§ 135-48.23. Executive Administrator.

(b) The Executive Administrator shall be appointed by the State Treasurer. The term of employment and salary of the Executive Administrator shall be set by the State Treasurer.
The Executive Administrator may be removed from office by the State Treasurer, and any vacancy in the office of Executive Administrator may be filled by the State Treasurer.

(c) Repealed by Session Laws 2018-84, s. 8(a), effective June 25, 2018.

(c1) The State Treasurer may employ such clerical and professional staff, and such other assistance as may be necessary to assist the Executive Administrator, the Board of Trustees, and the State Treasurer in carrying out their duties and responsibilities under this Article. The State Treasurer may designate any managerial, professional, or policy-making positions as exempt from the North Carolina Human Resources Act. All exempt employees shall serve at the pleasure of the State Treasurer, and any vacancies in these positions may be filled by the State Treasurer. Salaries of exempt employees shall be set by the State Treasurer.

(c2) The Executive Administrator may also negotiate, renegotiate and execute contracts with third parties in the performance of the Executive Administrator's duties and responsibilities under this Article; provided any contract negotiations, renegotiations and execution with a Claims Processor, with an optional alternative comprehensive health benefit plan, or program thereunder, authorized under G.S. 135-48.2, with a preferred provider of institutional or professional hospital and medical care, or with a pharmacy benefit manager shall be done only with the consent of the State Treasurer.

(d) Repealed by Session Laws 2018-85, s. 6, effective June 25, 2018. (1985, c. 732, s. 10; 1985 (Reg. Sess., 1986), c. 1020, s. 20; 1987, c. 857, s. 5; 1991, c. 427, s. 2; 2000-141, s. 2; 2001-446, s. 6; 2004-124, s. 31.27(a); 2005-276, ss. 29.33(c), 29.34(a); 2007-323, s. 28.22A(l); 2008-168, ss. 1(a), 2(a), (h), 2.2; 2011-85, ss. 2.1(a), 2.5(c), 2.10; 2013-382, s. 9.1(c); 2017-57, s. 35.22; 2018-84, s. 8(a); 2018-85, s. 6.)

§ 135-48.24. Administrative review.

(a) If, after exhaustion of internal appeal handling as outlined in the contract with the Claims Processor any person is aggrieved, the Claims Processor shall bring the matter to the attention of the Executive Administrator and Board of Trustees, which shall promptly decide whether the subject matter of the appeal is a determination subject to external review under Part 4 of Article 50 of Chapter 58 of the General Statutes. The Executive Administrator and Board of Trustees shall inform the aggrieved person and the aggrieved person's provider of the decision and shall provide the aggrieved person notice of the aggrieved person's right to appeal that decision as provided in this subsection. If the Executive Administrator and Board of Trustees decide that the subject matter of the appeal is not a determination subject to external review, then the Executive Administrator and Board of Trustees may make a binding decision on the matter in accordance with procedures established by the Executive Administrator and Board of Trustees. The Executive

Administrator and Board of Trustees shall provide a written summary of the decisions made pursuant to this section to all employing units, all health benefit representatives, all relevant health care providers affected by a decision, and to any other parties requesting a written summary and approved by the Executive Administrator and Board of Trustees to receive a summary immediately following the issuance of a decision. A decision by the Executive Administrator and Board of Trustees that a matter raised on internal appeal is a determination subject to external review as provided in subsection (b) of this section may be contested by the aggrieved person under Chapter 150B of the General Statutes. The person contesting the decision may proceed with external review pending a decision in the contested case under Chapter 150B of the General Statutes.

(b) The State Treasurer, in consultation with the Board of Trustees, shall adopt and implement utilization review and internal grievance procedures that are substantially equivalent to those required under G.S. 58-50-61 and G.S. 58-50-62. External review of determinations shall be conducted in accordance with Part 4 of Article 50 of Chapter 58 of the General Statutes. As used in this section, "determination" is a decision by the State Treasurer, or the Plan's designated utilization review organization administrated by or under contract with the Plan that an admission, availability of care, continued stay, or other health care service has been reviewed and, based upon information provided, does not meet the Plan's requirements for medical necessity, appropriateness, health care setting, or level of care or effectiveness, and the requested service is therefore denied, reduced, or terminated.

(c) Repealed by Session Laws 2011-398, s. 49, effective January 1, 2012, and applicable to contested cases commenced on or after that date. (1981 (Reg. Sess., 1982), c. 1398, s. 6; 1985, c. 732, s. 53; 1985 (Reg. Sess., 1986), c. 1020, s. 20; 1991, c. 427, s. 6; 2001-446, s. 5(e); 2008-168, ss. 1(a), 2(a), (n); 2011-85, ss. 2.5(g), 2.10; 2011-398, s. 49.)

§ 135-48.25. Rules.

The State Treasurer, in consultation with the Board of Trustees, may adopt rules to implement this Article. The State Treasurer shall provide to all employing units, all health benefit representatives, all relevant health care providers affected by a rule, and to any other persons requesting a written description and approved by the State Treasurer written notice and an opportunity to comment not later than 30 days prior to adopting, amending, or rescinding a rule, unless immediate adoption of the rule without notice is necessary in order to fully effectuate the purpose of the rule. Rules of the Board of Trustees shall remain in effect until amended or repealed by the State Treasurer. The State Treasurer shall provide a written description of the rules adopted under this section to all employing units, all health benefit representatives, all relevant health care providers affected by a rule, and to any other persons requesting a written description and approved by the State Treasurer on a timely basis. Rules adopted by the State Treasurer to implement this Article are not subject to Article 2A of Chapter 150B of the General Statutes. (1981 (Reg. Sess., 1982), c. 1398, s. 6; 1985, c. 732, s. 54; 1991, c. 427, s. 7; 1997-278, s. 3; 1997-468, s. 5; 1998-1, s. 4(f); 2001-253, s. 1(r); 2008-168, ss. 1(a), 2(a), (o); 2011-85, ss. 2.5(h), 2.10.)

§ 135-48.26: Reserved for future codification purposes.

§ 135-48.27. Reports to the General Assembly; General Assembly access to information.

In addition to the reports required by G.S. 135-48.23(d), the State Treasurer, the Executive Administrator, and Board of Trustees shall report to the General Assembly at such times and in such forms as shall be designated by the President Pro Tempore of the Senate and the Speaker of

the House of Representatives. Employees of the Legislative Services Commission designated by the Legislative Services Officer (i) shall have access to all records related to the Plan of the State Treasurer, the Board of Trustees, the Executive Administrator, the Claims Processor, and the Plan and (ii) shall be entitled to attend all meetings, including executive sessions, of the Board of Trustees. (1981 (Reg. Sess., 1982), c. 1398, s. 6; 1985, c. 732, ss. 55, 55.1; 1985 (Reg. Sess., 1986), c. 1020, s. 7; 2008-168, ss. 1(a), (c), 2(c); 2011-85, ss. 2.4(d), 2.10; 2012-194, s. 30.)

§ 135-48.28. Auditing of the Plan.

The State Health Plan for Teachers and State Employees and the Claims Processor shall be subject to the oversight of the State Auditor pursuant to Article 5A of Chapter 147 of the General Statutes. (1981 (Reg. Sess., 1982), c. 1398, s. 6; 1983, c. 913, s. 24; 1985, c. 732, s. 46; 1985 (Reg. Sess., 1986), c. 1020, p. 20; 2007-323, s. 28.22A(o); 2007-345, s. 12; 2008-168, ss. 1(a), (c), 2(g); 2011-85, ss. 2.4(c), 2.10.)

Part 3. Plan Operation.

§ 135-48.30. Powers and duties of the State Treasurer.

(a) The State Treasurer shall have the following powers and duties:

(1) Administer and operate the State Health Plan for Teachers and State Employees in accordance with G.S. 135-48.2 and the provisions of this Article.

(2) Set benefits, premium rates, co-pays, deductibles, and coinsurance percentages and maximums, subject to approval by the Board of Trustees. In setting premium rates, the State Treasurer may set a partially contributory rate of zero dollars, subject to approval by the Board of Trustees.

(3) Set the allowable charges for medical and prescription drug benefits, as necessary.

(4) Design and implement coordination of benefits policies.

(5) May offer wellness incentives.

(6) Set administrative and medical policies that are not in direct conflict with this Article.

(7) Adopt and implement, in consultation with the Board of Trustees, utilization review and internal grievance procedures that are substantially equivalent to those required under G.S. 58-50-61 and G.S. 58-50-62. External review of determinations shall be conducted in accordance with Part 4 of Article 50 of Chapter 58 of the General Statutes.

(8) Implement and administer pharmacy and medical utilization management programs and programs to detect and address utilization abuse of benefits.

(9) Establish and operate fraud detection and audit programs.

(10) Expend funds for any independent audit.

(11) Establish procedures to require prior medical approval and implement the procedures after consultation with the Board of Trustees.

(12) Prepare and submit to the Governor and the General Assembly cost estimates for the Plan, including those required by Article 15 of Chapter 120 of the General Statutes.

(13) Disclose to the Governor and the General Assembly changes or additions to the health benefits programs and health care cost containment programs offered

under the Plan, together with statements of financial and actuarial effects as required by Article 15 of Chapter 120 of the General Statutes.

(14) Secure and maintain tax qualification of the Plan under any applicable provisions of the Internal Revenue Code.

(15), (16) Repealed by Session Laws 2012-173, s. 3(c), effective January 1, 2013.

(17) Optionally offer Medicare-related options under G.S. 135-48.38.

(18) In accordance with G.S. 135-48.39 and subject to approval by the Board of Trustees, issue an order declaring an option of deferring premium or debt payments when there is a state of disaster or emergency.

(b) The State Treasurer may delegate his or her powers and duties under this section to the Executive Administrator, the Board of Trustees, and employees of the Plan. In delegating powers or duties, however, the State Treasurer maintains the responsibility for the performance of those powers or duties. (2011-85, s. 2.10; 2012-173, s. 3(c), 4(b); 2020-3, s. 4.21(a).)

§ 135-48.31: Reserved for future codification purposes.

§ 135-48.32. Contracts to provide benefits.

(a) The Plan benefits shall be provided under contracts between the Plan and the claims processors selected by the Plan. The contracts necessarily will conform to applicable State law.

(b) Unless otherwise directed by the Plan, each Claims Processor shall provide the Plan with a Claims Data Feed, which includes all Claim Payment Data, at a frequency agreed to by the Plan and the Claims Processor. The frequency shall be no less than monthly. The Claims Processor is not required to disclose Claim Payment Data that reflects rates negotiated with or agreed to by a noncontracted third party but, upon request, shall provide to the Plan sufficient documentation to support the payment of claims for which Claim Payment Data is withheld on such basis.

(c) Any provision of any contract between a Claims Processor and a health care provider, subcontractor, or third party that would prevent or prohibit the Claims Processor from disclosing Claim Payment Data to the Plan, in accordance with this section, shall be void and unenforceable, but only to the extent the provision prevents and prohibits disclosure to the Plan.

(d) The Plan may use and disclose Claim Payment Data solely for the purpose of administering and operating the State Health Plan for Teachers and State Employees in accordance with G.S. 135-48.2 and the provisions of this Article. The Plan shall not make any use or disclosure of Claim Payment Data that would compromise the proprietary nature of the data or, as applicable, its status as a trade secret, or otherwise misappropriate the data.

(e) The Plan may not use a provider's Claim Payment Data to negotiate rates, fee schedules, or other master charges with that provider or any other provider.

(f) The Plan may disclose Claim Payment Data to a third party to use on the Plan's behalf as agreed upon between the Plan and the Claims Processor. The Plan must obtain the agreement of the Claims Processor for each third party to whom the Plan seeks to disclose Claim Payment Data and for each use the third party will make of the data. The Plan may not disclose Claim Payment Data to any third party without first entering into a contract with the third party that contains restrictions on the use and disclosure of the Claim Payment Data by the third party that are at least as restrictive as the provisions of this section.

(g) A Claims Processor who discloses Claim Payment Data in accordance with this section shall not incur any civil liability and shall not be subject to equitable relief in connection for the

disclosure. (2008-168, s. 3(c); 2009-16, ss. 2(f), 5(h); 2009-281, s. 1; 2009-313, s. 2; 2010-194, s. 18(b); 2011-85, ss. 2.6(a), 2.10; 2016-104, s. 3.)

§ 135-48.33. Contracting provisions; large contract review by Board of Trustees and Attorney General, auditing, no cost plus contracts.

(a) The Board of Trustees must approve all Plan contracts in excess of five hundred thousand dollars ($500,000), including contracts with an initial cost of less than five hundred thousand dollars ($500,000), but that may exceed five hundred thousand dollars ($500,000) during the term of the contract.

(b) The Plan shall: (i) submit all proposed contracts for supplies, materials, printing, equipment, and contractual services that exceed one million dollars ($1,000,000) authorized by this Article to the Attorney General or the Attorney General's designee for review as provided in G.S. 114-8.3; and (ii) include in all proposed contracts to be awarded by the Plan under this section a standard clause which provides that the State Auditor and internal auditors of the Plan may audit the records of the contractor during and after the term of the contract to verify accounts and data affecting fees and performance. The Plan shall not award a cost plus percentage of cost agreement or contract for any purpose. (2008-168, s. 3(c); 2009-16, ss. 2(f), 5(h); 2009-281, s. 1; 2009-313, s. 2; 2010-194, s. 18(b); 2011-85, ss. 2.6(a), 2.10; 2011-326, s. 15(s).)

§ 135-48.34. Contracts not subject to Article 3 of Chapter 143 of the General Statutes.

The design, adoption, and implementation of the preferred provider contracts, networks, and optional alternative comprehensive health benefit plans, and programs available under the optional alternative plans, as authorized under G.S. 135-48.2, are not subject to the requirements of Article 3 of Chapter 143 of the General Statutes, but are subject to the requirements of G.S. 135-48.33. (2011-85, s. 2.10.)

§ 135-48.35. Contract disputes not contested case under the Administrative Procedure Act, Chapter 150B of the General Statutes.

A dispute involving the performance, terms, or conditions of a contract between the Plan and an entity under contract with the Plan is not a contested case under Article 3 of Chapter 150B of the General Statutes. (2001-192, s. 2; 2008-168, ss. 1(a), (c), 2(d); 2011-85, s. 2.4(e).)

§ 135-48.36: Reserved for future codification purposes.

§ 135-48.37. Liability of third person; right of subrogation; right of first recovery.

(a) The Plan shall have the right of subrogation upon all of the Plan member's right to recover from a liable third party for payment made under the Plan, for all medical expenses, including provider, hospital, surgical, or prescription drug expenses, to the extent those payments are related to an injury caused by a liable third party. The Plan member shall do nothing to prejudice these rights. The Plan has the right to first recovery on any amounts so recovered, whether by the Plan or the Plan member, and whether recovered by litigation, arbitration, mediation, settlement, or otherwise. Notwithstanding any other provision of law to the contrary, the recovery limitation set forth in G.S. 28A-18-2 shall not apply to the Plan's right of subrogation of Plan members.

(b) If the Plan is precluded from exercising its right of subrogation, it may exercise its rights of recovery against any third party who was overpaid. If the Plan recovers damages from a

liable third party in excess of the claims paid, any excess will be paid to the member, less a proportionate share of the costs of collection.

(c) In the event a Plan member recovers any amounts from a liable third party to which the Plan is entitled under this section, the Plan may recover the amounts directly from the Plan member. If, prior to the Plan exercising its rights under this section, a Plan member utilizes or otherwise disposes of any amounts that were recovered from a liable third party to which the Plan is entitled under this section, then the Plan may pursue alternative judicial remedies against the Plan member to recover the amount to which the Plan is entitled, including the pursuit of a judgment and lien against real property.

(c1) The Plan has a lien, for not more than the value of claims paid related to the liability of the third party, on any damages subsequently recovered by a Plan member against any liable third party. If the Plan member fails to pursue the remedy against a liable third party, the Plan is subrogated to the rights of the Plan member and is entitled to enforce liability in the Plan's own name or in the name of the Plan member for the amount paid by the Plan.

(d) In no event shall the Plan's lien exceed fifty percent (50%) of the total damages recovered by the Plan member, exclusive of the Plan member's reasonable costs of collection as determined by the Plan in the Plan's sole discretion. The decision by the Plan as to the reasonable cost of collection is conclusive and is not a "final agency decision" for purposes of a contested case under Chapter 150B of the General Statutes. Notice of the Plan's lien or right to recovery shall be presumed when a Plan member is represented by an attorney, and the attorney shall disburse proceeds pursuant to this section.

(e) The priority of any lien held by the State Health Plan for Teachers and State Employees shall be superior to all nongovernmental liens and rights, whether such liens and rights are prior or subsequent to the lien. (2004-124, s. 31.25; 2006-264, s. 66(a); 2008-168, ss. 1(a), 3(a), (t); 2011-85, ss. 2.6(j), 2.10; 2018-52, ss. 3, 5(a).)

§ 135-48.37A. Employing unit cooperation in collection of amounts owed to Plan.

(a) Any payment of benefits or other amount to, or premiums or claims paid on behalf of, any Plan member that is later determined to be an overpayment, an erroneous payment, or a benefit or amount for which the Plan member was ineligible shall be repaid by the Plan member to the Plan. If the Plan member is an employee of an employing unit, then any amounts to be recouped under this subsection shall be offset against the net wages of the Plan member.

(b) If a Plan member owes an amount to the Plan under this section, has been notified of this amount owed by the Plan member in writing, and has not entered into a payment plan acceptable to the Plan within 30 days after the written notice, then the Plan shall notify the Plan member's employer of the amount owed. Upon receipt of this notice from the Plan, an employing unit shall offset the amount owed against not less than ten percent (10%) of the net wages of the Plan member until the Plan notifies the employing unit that the amount owed has been paid in full. The Plan's notice to the employing unit shall be prima facie evidence that the amount owed is valid and, notwithstanding any other provision of law to the contrary, the employing unit has no obligation to verify the amount owed. The employing unit shall provide no more than 30 days' but not less than 14 days' written notice to the Plan member prior to beginning the offset. The employing unit shall remit all amounts offset under this subsection to the Plan in intervals corresponding with the employing unit's regular pay periods.

(c) If an employing unit fails to adhere to the provisions of this section, the Plan shall, after notice to the employing unit of its failure to cooperate, be entitled to seek recovery of any amounts due directly from the employing unit.

(d) No amount due under this section may be forgiven by the Board, the Plan, the Executive Administrator, the State Treasurer, or an employing unit. The Plan and the employing unit shall have a duty to pursue the repayment in full of these funds by all lawful means available, including the filing of a civil action in the General Court of Justice.

(e) Nothing in this section shall be construed to limit the Plan's ability to pursue alternative judicial remedies against a Plan member or a former Plan member, including the pursuit of a judgment and lien against real property. (2018-52, s. 2(a).)

§ 135-48.38. Persons eligible for Medicare; optional participation in other Medicare products.

(a) Benefits payable for covered expenses under this Plan will be reduced by any benefits payable for the same covered expenses under Medicare, so that Medicare will be the primary carrier except where compliance with federal law specifies otherwise.

(b) For those participants eligible for Medicare, the Plan will be administered on a "carve out" basis. The provisions of the Plan are applied to the charges not paid by Medicare (Parts A & B). In other words, those charges not paid by Medicare would be subject to the deductible and coinsurance of the Plan just as if the charges not paid by Medicare were the total bill.

(c) For those individuals eligible for Part A (at no cost to them), benefits under this program will be reduced by the amounts to which the covered individuals would be entitled to under Parts A and B of Medicare, even if they choose not to enroll for Part B.

(d) Notwithstanding the foregoing provisions of this section or any other provisions of the Plan, the State Treasurer may enter into negotiations with the Centers for Medicare and Medicaid Services, U.S. Department of Health and Human Services, in order to secure a more favorable coordination of the Plan's benefits with those provided by Medicare, including but not limited to, measures by which the Plan would provide Medicare benefits for all of its Medicare-eligible members in return for adequate payments from the federal government in providing such benefits. Should such negotiations result in an agreement favorable to the Plan and its Medicare-eligible members, the State Treasurer may, after consultation with the Board of Trustees, implement such an agreement which shall supersede all other provisions of the Plan to the contrary related to its payment of claims for Medicare-eligible members.

(e) Notwithstanding subsections (a), (b), and (c) of this section, the State Treasurer may contract for coverage in lieu of current Plan medical and prescription drug benefits for Medicare retirees or to supplement Medicare benefits and may, after consultation with the Board of Trustees, implement such an agreement, which shall supersede all other provisions of the Plan to the contrary related to its payment of claims for Medicare-eligible members. (1981 (Reg. Sess., 1982), c. 1398, s. 6; 1985 (Reg. Sess., 1986), c. 1020, s. 18; 1987, c. 857, s. 21; 1989, c. 752, s. 22(o); 2008-168, ss. 1(a), 3(a), (o); 2011-85, ss. 2.6(g), 2.10.)

§ 135-48.39. Operations during state of disaster or emergency.

(a) For the purposes of this section, the term "state of disaster" shall mean that one of the following has occurred:

(1) The Governor or legislature has declared a state of emergency under G.S. 166A-19.20.

(2) The Governor has issued a disaster declaration under G.S. 116A-19.21.

(3) The President of the United States has issued a major disaster declaration under the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. § 5121, et seq., as amended, for this State, for an area within this State, or for an area in which a member or an employing unit is located.

(4) The Governor, legislature, or other governing body has declared a state of emergency or disaster, or the equivalent, for an area in which a member or employing unit is located.

(b) Subject to approval by the Board of Trustees, when there is a state of disaster, the State Treasurer may order that members, employing units, or both adversely affected by the state of disaster shall have the option of deferring premium or debt payments that are due during the time period in which there is a state of disaster. The State Treasurer may order the expiration of the option to defer premium or debt payments prior to the end of the time period in which there is a state of disaster but may not extend the option beyond that period.

(c) Any option to defer premium or debt payments offered under this section shall be made for a period of 30 days from the last day the premium or debt payment may have been made under the terms of the Plan, policy, contract, or agreement. This 30-day deferral period may also be applied to any statute, rule, or other policy or contract provision that imposes a time limit on the Plan or a member to perform any act related to the Plan during the time period in which there is a state of disaster. This 30-day deferral period may be extended by the State Treasurer in 30-day increments, subject to approval by the Board of Trustees. A deferral period shall not last beyond 90 days from the last day of the time period in which there is a state of disaster.

(d) An option to defer premium or debt payments offered under this section may be limited to a specific category of members or employing units, as the state of disaster necessitates and as determined by the State Treasurer.

(e) Nothing in this section shall be construed as to authorize the nonpayment of premiums or debt. All premium payments in arrears shall be paid to the Plan. If premiums in arrears are not paid, coverage shall lapse as of the last day of the month for which premiums were paid in full. The member shall be responsible for all medical expenses incurred since the effective date of the lapse in coverage. (2020-3, s. 4.21(b).)

Part 4. Eligibility and Enrollment.

§ 135-48.40. Categories of eligibility.

(a) Noncontributory Coverage. – The following persons are eligible for coverage under the Plan, on a noncontributory basis, subject to the provisions of G.S. 135-48.43:

(1) Retired employees, as defined in G.S. 135-48.1(18), and retired State law enforcement officers who retired under the Law Enforcement Officers' Retirement System prior to January 1, 1985. Except as otherwise provided in this subdivision, on and after January 1, 1988, a retiring employee or retiree must have completed at least five years of contributory retirement service with an employing unit prior to retirement from any State-supported retirement system in order to be eligible for group benefits under this Part as a retired employee or retiree. For employees first hired on and after October 1, 2006, and members of the General Assembly first taking office on and after February 1, 2007, future coverage as retired employees and retired members of the General Assembly is subject to a requirement that the future retiree have 20 or more

years of retirement service credit in order to be covered by the provisions of this subdivision.

(2) Surviving spouses of:

Children placed in a home by a welfare agency which obtains control of, and provides for maintenance of the child, are not eligible participants.

Retiring employees not enrolled or not adding dependents age 19 and older when first eligible after an employee's retirement may enroll at a later time during annual enrollment, but may be subject to a 12-month waiting period for preexisting conditions except as provided in subdivision (a)(3) of this section.

(4) Employees and dependents enrolling or reenrolling within 12 months after a termination of enrollment or employment that were not enrolled at the time of this previous termination, regardless of the employing units involved, shall not be considered as newly-eligible employees or dependents for the purposes of waiting periods and preexisting conditions. Employees and dependents transferring from optional prepaid alternative plans available under the Plan; employees and dependents immediately returning to service from an employing unit's approved periods of leave without pay for illness, injury, educational improvement, workers' compensation, parental duties, or for military reasons; employees and dependents immediately returning to service from a reduction in an employing unit's work force; retiring employees and dependents reenrolled in accordance with subdivision (3) of this subsection; formerly-enrolled dependents reenrolling as eligible employees; formerly-enrolled employees reenrolling as eligible dependents; and employees and dependents reenrolled without waiting periods and preexisting conditions under specific rules adopted by the State Treasurer in the best interests of the Plan shall not be considered reenrollments for the purpose of this subdivision. Furthermore, employees accepting permanent, full-time appointments who had previously worked in a part-time or temporary position and their qualified dependents shall not be covered by waiting periods and preexisting conditions under this division provided enrollment as a permanent, full-time employee is made when the employee and his dependents are first eligible to enroll.

(5) To administer the 12-month waiting period for preexisting conditions for employees age 19 and older and dependents age 19 and older under this Article, the Plan must give credit against the 12-month period for the time a person was covered under a previous plan if the previous plan's coverage was continuous to a date not more than 63 days before the effective date of coverage. As used in this subdivision, a "previous plan" means any policy, certificate, contract, or any other arrangement provided by any accident and health insurer, any hospital or medical service corporation, any health maintenance organization, any preferred provider organization, any multiple employer welfare arrangement,

any self-insured health benefit arrangement, any governmental health benefit or health care plan or program, or any other health benefit arrangement. Waiting periods for preexisting conditions administered under this Article are subject to applicable federal law.

(c) Dependents of Employees and Retired Employees. –

(1) Dependents of employees and retired employees who have family coverage under the Predecessor Plan will continue to be covered subject to the terms hereof.

(2) Employees who have dependents may apply for family coverage at the time they enroll as provided in subdivisions (a)(2) and (a)(3) of this section and such dependents will be covered under the Plan beginning the same date as such employees.

(3) Employees and retired employees may change from one category of coverage to a different category of coverage without a waiting period for preexisting conditions, and, as applicable, dependents will be covered under the Plan the first of the month or the first of the second month following the dependent's eligibility for coverage, provided written application is submitted to the Health Benefits Representative within 30 days of becoming eligible.

(4) Employees or retired employees who wish to change to employee only coverage shall give written notice to their Health Benefits Representative within 30 days after any change in the status of dependents, (resulting from death, divorce, etc.) that requires a change in contract category. The effective date will be the first of the month following the dependent's ineligibility event. If notification was not made within the 30 days following the dependent's ineligibility event, the dependent will be retroactively removed the first of the month following the dependent's ineligibility event, and the coverage category change will be the first of the month following written notification, except in cases of death, in which case the coverage category change will be made retroactive to the first of the month following the death.

(5) Employees not adding dependents age 19 and older when first eligible may enroll later during annual enrollment, but dependents may be subject to a 12-month waiting period for preexisting health conditions except as provided in subdivision (a)(3) of this section.

(6) Employees or retired employees who wish to change to employee only coverage even though their dependents continue to be eligible, shall give written notification to their Health Benefits Representative. Except as otherwise required by applicable federal law, the date of this category change will be the first of the month following written notification or any first of the month thereafter as desired by the employee.

(7) The effective date for newborns or adopted children will be date of birth, date of adoption, or placement with adoptive parent provided member is currently covered under employee and family or employee and child coverage. If the member wishes to add a newborn or adopted child and is currently enrolled in employee only coverage, the member must submit application for coverage and a coverage type change within 30 days of the child's birth or date of adoption or placement. Effective date for the coverage category change is the first of the

month in which the child is born, adopted, or placed. Adopted children may also be covered the first of the month following placement or adoption.

(d) Categories of Coverage Available. – There are four categories of coverage which an employee or retiree may elect.

(1) Employee Only. – Covers enrolled employees only. Maternity benefits are provided to employee only.

(2) Employee and Child. – Covers enrolled employee and all eligible dependent children. Maternity benefits are provided to the employee only.

(3) Employee and Family. – Covers employee and spouse, and all eligible dependent children. Maternity benefits are provided to employee or enrolled spouse.

(4) Employee and Spouse. – Covers employee and spouse only. Maternity benefits are provided to the employee or the employee's enrolled spouse.

(e) Firefighters, rescue squad workers, and members of the National Guard are subject to the same terms and conditions of this section as are employees. Eligible dependents of firefighters, rescue squad workers, and members of the National Guard are subject to the same terms and conditions of this section as are dependents of employees.

(f) If any provision of this section is in conflict with applicable federal law, federal law shall control to the extent of the conflict. (1981 (Reg. Sess., 1982), c. 1398, s. 6; 1983, c. 499; c. 761, ss. 252-255; c. 867, s. 4; c. 922, s. 5; 1985, c. 400, ss. 5, 6; 1985 (Reg. § 135-48.44. Cessation of coverage.

(a) Coverage under this Plan of an employee and his or her surviving spouse or eligible dependent children or of a retired employee and his or her surviving spouse or eligible dependent children shall cease on the earliest of the following dates:

(1) The last day of the month in which an employee or retired employee dies. Provided such surviving spouse or eligible dependent children were covered under the Plan at the time of death of the former employee or retired employee, or were covered on September 30, 1986, any such surviving spouse or eligible dependent children may then elect to continue coverage under the Plan by submitting written application to the Claims Processor and by paying the cost for such coverage when due at the applicable fees. Such coverage shall cease on the last day of the month in which such surviving spouse or eligible dependent children die, except as provided by this Article.

(2) The last day of the month in which an employee's employment with the State is terminated as provided in subsection (d) of this section.

(3) The last day of the month in which a divorce becomes final.

(4) The last day of the month, or as soon thereafter as administratively feasible, in which the Plan approves cancellation of coverage for an employee or retired employee.

(5) The last day of the month in which a covered individual enters active military service.

(6) The last day of the month in which a covered individual is found to have knowingly and willfully made or caused to be made a false statement or false representation of a material fact regarding eligibility or enrollment information or in a claim for reimbursement of medical services under the Plan. The State Treasurer may make an exception to the provisions of this subdivision when persons subject to this subdivision have had a cessation of coverage for a period of five years and have made a full and complete restitution to the Plan for all fraudulent claim amounts. Nothing in this subdivision shall be construed to obligate the State Treasurer to make an exception as allowed for under this subdivision.

(7) The last day of the month in which an employee who is Medicare-eligible selects Medicare to be the primary payer of medical benefits. Coverage for a Medicare-eligible spouse of an employee shall also cease the last day of the month in which Medicare is selected to be the primary payer of medical benefits for the Medicare-eligible spouse. Such members are eligible to apply for conversion coverage.

(8) The last day of the month in which a covered individual is found to be ineligible for coverage.

(9) The last day of the month for which a premium is paid in full.

(b) Coverage under this Plan as a dependent child ceases when the child ceases to be a dependent child as defined by G.S. 135-48.1 except, coverage may continue under this Plan for a period of not more than 36 months after loss of dependent status on a fully contributory basis provided the dependent child was covered under the Plan at the time of loss of dependent status.

(c) Coverage under the Plan as a surviving dependent child whether covered as a dependent of a surviving spouse, or as an individual member (no living parent), ceases when the child ceases to be a dependent child as defined by G.S. 135-48.1, except coverage may continue under the Plan on a fully contributory basis for a period of not more than 36 months after loss of dependent status.

(d) Termination of employment shall mean termination for any reason, including layoff and leave of absence, except as provided in subdivisions (a)(1) and (2) of this section, but shall not, for purposes of this Plan, include retirement upon which the employee is granted an immediate service or disability pension under and pursuant to a State-supported Retirement System.

(1) In the event of termination for any reason other than death, coverage under the Plan for an employee and his or her eligible spouse or dependent children, provided the eligible spouse or dependent children were covered under the Plan at termination of employment may be continued for a period of not more than 18 months following termination of employment on a fully contributory basis. Employees who were covered under the Plan at termination of employment may be continued for a period of not more than 18 months or 29 months if determined to be disabled under the Social Security Act, Title II, OASDI or Title XVI, SSI.

(2) In the event of approved leave of absence without pay, other than for active duty in the Armed Forces of the United States, coverage under this Plan for an employee and his or her dependents may be continued during the period of such leave of absence by the employee's paying one hundred percent (100%) of the cost.

(3) If employment is terminated in the second half of a calendar month and the covered individual has made the required contribution for any coverage in the following month, that coverage will be continued to the end of the calendar month following the month in which employment was terminated.

(4) Employees paid for less than 12 months in a year, who are terminated at the end of the work year and who have made contributions for the non-work months, will continue to be covered to the end of the period for which they have made contributions, with the understanding that if they are not employed by another State-covered employer under this Plan at the beginning of the next work year, the employee will refund to the ex-employer the amount of the employer's cost paid for them during the non-paycheck months.

(5) Any employee receiving benefits pursuant to Article 6 of this Chapter when the employee has less than five years of retirement membership service, or an employee on leave of absence without pay due to illness or injury for up to 12 months, is entitled to continued coverage under the Plan for the employee and any eligible dependents by the employee's paying one hundred percent (100%) of the cost.

(e) A legally divorced spouse and any eligible dependent children of a covered employee or retired employee may continue coverage under this Plan for a period of not more than 36 months following the first of the month after a divorce becomes final on a fully contributory basis, provided the former spouse and any eligible dependent children were covered under the Plan at the time a divorce became final.

(f) A legally separated spouse of a covered employee or retired employee may continue coverage under this Plan for a period not to exceed 36 months from the separation date on a fully contributory basis, provided the separated spouse was covered under the Plan at the time of separation and provided the covered employee's or retired employee's actions result in the loss of coverage for the separated spouse. Eligible dependent children may also continue coverage if covered under the Plan at time of separation, provided the employee's or retired employee's actions result in the loss of coverage for the dependent children.

(g) Whenever this section gives a right to continuation coverage, such coverage must be elected within the time allowed by applicable federal law.

(h) Continuation coverage under this Plan shall not be continued past the occurrence of any one of the following events:

(1) The termination of the Plan.

(2) Failure of a Plan member to pay monthly in advance any required premiums.

(3) A person becomes a covered employee or a dependent of a covered employee under any group health plan and that group health plan has no restrictions or limitations on benefits.

(4) A person becomes eligible for Medicare benefits on or after the effective date of the continuation coverage.

(5) The person was determined to be no longer disabled, provided the 18-month coverage was extended to 29 months due to having been determined to be disabled under the Social Security Act, Title II, OASDI or Title XVI, SSI.

(6) The person reaches the maximum applicable continuation period of 18, 29, or 36 months.

(i) Notice requirements concerning continuation coverage shall be developed by the Plan.

(j) The spouse and any eligible dependent children of a covered employee may continue coverage under the Plan on a fully contributory basis for a period not to exceed 36 months from the date the employee becomes eligible for Medicare benefits which results in a loss of coverage under the Plan, provided that the spouse and eligible dependent children were covered under the Plan at the time the employee became eligible for Medicare benefits which results in a loss of coverage under the Plan. § 135-48.45. Conversion.

(a) Upon a cessation of group coverage under the Plan and/or eligibility for group coverage under the Plan, an employee or dependent shall be entitled to a conversion to nongroup coverage without the necessity of a physical examination. Such conversion coverage shall include hospitalization, surgical, and medical benefits as contained in the major medical and alternative plan conversion provisions of Article 53 of Chapter 58 of the General Statutes. The State Treasurer in his or her sole discretion shall approve the conversion coverage, which shall be administered by the Claims Processor through an insurance contract arranged by the Claims Processor, or administered as otherwise directed by the State Treasurer. An eligible employee or dependent must apply for conversion coverage within 30 days after termination of group eligibility.

(b) The State Treasurer shall provide for the continuation of conversion privilege exercised under the predecessor plan, on a fully contributory basis. The State Treasurer shall consult with the Board of Trustees before taking action under this subsection. (1981 (Reg. Sess., 1982), c. 1398, s. 6; 1983, c. 922, s. 21.6; 1985, c. 732, ss. 30, 56; 1985 (Reg. Sess., 1986), c. 1020, s. 20; 2008-168, ss. 1(a), 3(a), (r); 2011-85, ss. 2.6(i), 2.10.)

§ 135-48.46. Settlement agreements by employing units.

(a) No employing unit may enter into any settlement agreement with an employee or former employee regarding health benefits covered under the Plan unless the employing unit has received written authorization from the Plan's Executive Administrator.

(b) No settlement agreement between an employing unit and an employee or former employee may reinstate health benefit coverage under the Plan more than one year prior to the date of the settlement agreement.

(c) Any settlement agreement provision in violation of this section shall be void ab initio. (2018-52, s. 8(a).)

§ 135-48.47. Participation in State Health Plan by local government employees and dependents.

(a) Eligibility. – The employees and dependents of employees of local government units are eligible to participate in the State Health Plan, as provided in this section. This section does not apply to employees of a charter school operated by a municipality.

Employees and dependents participating under this section are not guaranteed participation in the Plan, and participation is contingent on their respective local government units (i) electing to participate in the Plan and (ii) complying with the provisions of this section and this Article, as well as any policies adopted by the Plan.

(b) Participation Requirements. – A local government unit may elect to participate in the State Health Plan. Participation shall be governed by the following:

(1) In order to participate, a local government unit must do the following:
   a. Pass a valid resolution expressing the local government's desire to participate in the Plan.
   b. Enter into a memorandum of understanding with the Plan that acknowledges the conditions of this section and this Article.
   c. Provide at least 90 days' notice to the Plan prior to entry and complete the requirements of this subdivision at least 60 days prior to entry.

(2) In order to participate, a local government unit and its employees must meet the federal requirements to participate in a governmental plan. The Plan may refuse participation to persons who would jeopardize the Plan's qualification as a governmental plan under federal law.

(2a) The Plan shall admit any local government unit that meets the administrative and legal requirements of this section, regardless of the claims experience of the local government unit group or the financial impact on the Plan.

(3) A local government unit shall determine the eligibility of its employees and employees' dependents.

(3a) The premiums employees pay to the local government unit for their own coverage shall conform to the premiums in the structure set by the Plan. The premiums employees pay to the local government unit for coverage of their dependents may be determined by the local government unit but may not exceed the premiums set by the Plan.

(4) Premiums for coverage and Plan options shall be the same as those offered to State employees and dependents on a fully contributory basis.

(5) The local government unit shall pay all premiums for all covered individuals directly to the Plan or the Plan's designee.

(c) Enrollment Limitation. – Local governments may elect to participate until the number of employees and dependents of employees of local governments enrolled in the Plan reaches 16,000, after which time no additional local governments may join the Plan. Any local government electing to participate must have less than 1,000 employees and dependents enrolled in health coverage at the time the local government provides notice to the Plan of its desire to participate.

(d) Local governments participating in the Plan as of April 1, 2016, may elect to withdraw from participating in the Plan effective January 1, 2017. Notice of withdrawal must be given by the local government to the Plan no later than September 15, 2016.

(e) Except as permitted under subsection (d) of this section, a local government unit's election to participate in the Plan is irrevocable. (2014-75, s. 3; 2014-105, s. 1; 2015-112, s. 2; 2016-104, ss. 4, 5(a), 6; 2018-145, s. 20(d); 2020-48, s. 1.17.)

§ 135-48.48: Reserved for future codification purposes.

§ 135-48.49. IRC Sections 6055 and 6056 regulatory reporting.

The Plan shall be responsible for reporting coverage for retirees and coverage for direct bill members, except for individuals participating in Consolidated Omnibus Budget Reconciliation Act (COBRA) coverage, as required by Section 6055 of the Internal Revenue Code. The Plan shall provide employing units with access to Plan data necessary for employing units to meet filing

requirements under Sections 6055 and 6056 of the Internal Revenue Code. The Plan may facilitate the availability of a reporting solution; however, the employing unit is responsible for paying all costs associated with the use of any reporting solution made available by the Plan. (2016-104, s. 7.)

Part 5. Coverage Mandates and Exclusions; Other Mandates.

§ 135-48.50. Coverage mandates.

The Plan shall provide coverage subject to the following coverage mandates:

(1) Abortion coverage. – The Plan shall not provide coverage for abortions for which State funds could not be used under G.S. 143C-6-5.5. The Plan shall, however, provide coverage for subsequent complications or related charges arising from an abortion not covered under this subdivision.

(2) Immunizations. – The Plan shall pay one hundred percent (100%) of allowable medical charges for immunizations for the prevention of contagious diseases as generally accepted medical practices would dictate when directed by a credentialed provider as determined by the claims processor.

(3) Insulin. – Prescription benefits shall be provided for insulin even though a prescription is not required.

(4) Mental health parity. – Benefits for the treatment of mental illness and chemical dependency are covered by the Plan and shall be subject to the same deductibles, durational limits, and coinsurance factors as are benefits for physical illness generally. Nothing in this subdivision, however, shall prohibit the Plan from requiring the most cost-effective treatment setting to be utilized by a person undergoing necessary care and treatment for chemical dependency.

(5) [Reserved.]

(6) Permissive coverage extension. – If a covered service becomes excluded from coverage under the Plan, the Executive Administrator and Claims Processor may, in the event of exceptional situations creating undue hardships or adverse medical conditions, allow persons enrolled in the Plan to remain covered by the Plan's previous coverage for up to three months after the effective date of the change in coverage, provided the persons so enrolled had been undergoing a continuous plan of specific treatment initiated within three months prior to the effective date of the change in coverage.

(7) Reconstructive surgery. – Charges for cosmetic surgery or treatment required for correction of damage caused by accidental injury sustained by the covered individual while coverage under this plan is in force on his or her account or to correct congenital deformities or anomalies shall not be excluded if they otherwise qualify as covered medical expenses. Reconstructive breast surgery following mastectomy, as those terms are defined in G.S. 58-51-62, shall be covered. (2011-85, s. 2.10; 2011-145, s. 29.23(c); 2012-194, s. 32.)

§ 135-48.51. Coverage and operational mandates related to Chapter 58 of the General Statutes.

§ 135-48.52. General limitations and exclusions.

The Plan shall not provide coverage for or pay any benefits for any of the following:

(1) Charges to the extent paid, or which the individual is entitled to have paid, or to obtain without cost, in accordance with any government laws or regulations except Medicare. If a charge is made to any such person which he or she is legally required to pay, any benefits under this Plan will be computed in accordance with its provisions, taking into account only such charge. "Any government" includes the federal, State, provincial, or local government, or any political subdivision thereof, of the United States, Canada, or any other country.
(2) Charges for services rendered in connection with any occupational injury or disease arising out of and in the course of employment with any employer, if (i) the employer furnishes, pays for or provides reimbursement for such charges, or (ii) the employer makes a settlement payment for such charges, or (iii) the person incurring such charges waives or fails to assert his or her rights respecting such charges.
(3) Charges for any services rendered as a result of injury or sickness due to an act of war, declared or undeclared, which act shall have occurred after the effective date of a person's coverage under the Plan.
(4) Charges for any services with respect to which there is no legal obligation to pay. For the purposes of this item, any charge which exceeds the charge that would have been made if a person were not covered under this Plan shall, to the extent of such excess, be treated as a charge for which there is no legal obligation to pay; and any charge made by any person for anything which is normally or customarily furnished by such person without payment from the recipient or user thereof shall also be treated as a charge for which there is no legal obligation to pay.
(5) Charges during a continuous hospital confinement which commenced prior to the effective date of the person's coverage under this Plan.
(6) Charges for services unless a claim is filed within 18 months from the date of service.
(7) Charges for sexual dysfunction or hair growth drugs or for nonmedically necessary drugs used for cosmetic purposes. (2011-85, s. 2.10.)

§ 135-48.54. Optional participation for charter schools operated by private nonprofit corporations or municipalities.

(a) Repealed by Session Laws 2018-84, s. 11(a), effective June 25, 2018.

(b) No later than two years after both parties have signed the written charter under G.S. 115C-218.15, the board of directors of a charter school operated by a private nonprofit corporation or a charter school operated by a municipality shall elect whether to become a participating employer in the Plan in accordance with this Article. This election shall be in writing and filed with the Plan and the State Board of Education. This election is effective for each charter school employee as of the date of that employee's entry into eligible service.

(b1) A charter school making an election to become a participating employing unit in the Plan under this section shall provide notice of the intent to make that election six months prior to making the election; provided that the Plan shall not prohibit a charter school from becoming a participating employing unit solely because that charter school did not provide this notice.

(c) A board's election to become a participating employer in the Plan under this section is irrevocable and shall require all eligible employees of the charter school to participate.

(d) If a charter school's board of directors does not elect to become a participating employer in the Plan under this section, that school's employees and the dependents of those employees are not eligible for any benefits under the Plan on account of employment with a charter school.

(e) The board of directors of each charter school shall notify each of its employees as to whether the board elected to become a participating employer in the Plan under this section. This notification shall be in writing and shall be provided within 30 days of the board's election or at the time an initial offer for employment is made, whichever occurs last. If the board did not elect to become a participating employer in the Plan, the notice shall include a statement that the employee shall have no legal recourse against the board or the State for any possible benefit under the Plan. The employee shall provide written acknowledgment of the employee's receipt of the notification under this subsection. (1998-212, s. 9.14A(e); 2008-168, ss. 1(a), 3(a), (i); 2011-85, ss. 2.6(f), 2.10; 2014-101, s. 7; 2018-84, s. 11(a); 2018-145, s. 20(e).)

§ 135-48.55. Interest charged to charter schools and local government units on late premiums.

The total amount of premiums due the Plan from charter schools and local government units as employing units, including amounts withheld from the compensation of Plan members, that is not remitted to the Plan by the fifteenth day of the month following the due date of remittance shall be assessed interest of one and one-half percent (1 1/2%) of the amount due the Plan, per month or fraction thereof, beginning with the sixteenth day of the month following the due date of the remittance. The interest authorized by this section shall be assessed until the premium payment plus the accrued interest amount is remitted to the Plan. The remittance of premium payments under this section shall be presumed to have been made if the remittance is postmarked in the United States mail on a date not later than the fifteenth day of the month following the due date of the remittance. (1981 (Reg. § 135-48.56. Education of covered active and retired employees.

It is the intent of the General Assembly that active employees and retired employees covered under the Plan and its successor Plan shall have several opportunities in each fiscal year to attend presentations conducted by Plan management staff providing detailed information about benefits, limitations, premiums, co-payments, and other pertinent Plan matters. To this end, the Plan's management staff shall conduct multiple presentations each year to Plan members and association groups representing active and retired employees across all geographic regions of the State. Regional meetings shall be held in locations that afford reasonably convenient access to Plan members.
